Third Declaration of Eric Rassbach

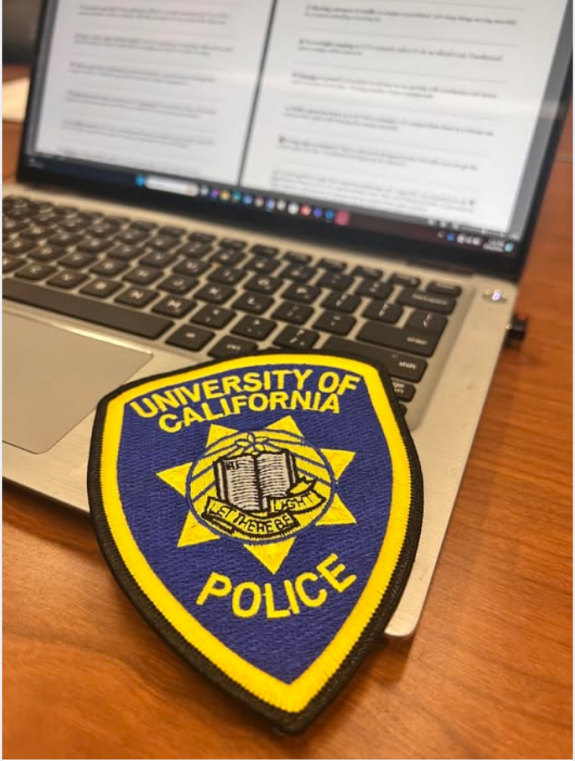

UCLA Police Department
November 20, 2024 · 🌐

Four people were taken into custody Tuesday evening following protest activity at Bruin Plaza. At the height of the late afternoon event, approximately 75 people formed a human chain by linking their arms together. These actions blocked pedestrian access on Bruin Walk. Our officers responded to ensure people could use Bruin Walk, the main pedestrian thoroughfare on campus.

Three suspects were identified and later arrested for physically blocking people who attempted to pass on Bruin Walk. A fourth suspect, who tried to interfere with one of the arrests, was also taken into custody.

We respect and value everyone's right to express their First Amendment freedoms, provided it's done safely and without adversely affecting others who are trying to travel throughout our campus.

The investigation into this incident is ongoing, and anyone with information is asked to contact the UCLA Police Department.
